Candle Holders with Natural Materials

v12838

These candle holders are decorated with wood veneer, cork and leather.

Comment faire

1. Cut two pieces of wood veneer; approx. 17cm wide and 7.5cm high.

2. Place these two pieces on top of each other – back to back. Make two holes at both ends of the veneer to accommodate the leather cord.

3. Tye a piece of leather cord inside the holes.
