

## Elephants with Wood Veneer

v12835

These papier-mâché elephants are painted with Plus Color craft paint and wood veneer has been attached.

### *Comment faire*

**1.** Paint the elephant with black Plus Color craft paint.

**2.** Draw the outline of the elephant onto a piece of double-sided adhesive foil and a piece of wood veneer and cut out.

**3.** Attach the piece of foil and then the piece of wood veneer onto the elephant.
