

## A Neon-Coloured Plaited Cord with sewn-on Piece of Jewellery Chain

v13049

A bracelet made from neon-coloured plaited cord with a silver jewellery chain which is sewn onto the cords with neon-coloured macramé cords. The bracelet is fastened with a two-part magnetic clasp.

### *Comment faire*

**1.** Cut two pieces of plaited cord, each measuring approx. 21cm. Also, cut a 19cm long piece of jewellery chain and two 50cm long pieces of macramé cord. Bundle and secure all the ends together at one end with a piece of sellotape.

**2.** Glue the assembled ends in place inside one of part of the two-part magnetic clasp using Super Attak instant glue.

**3.** Attach the jewellery chain onto the plaited cord by feeding a piece of macramé cord in and out through each section of the jewellery chain and around the plaited cord.

**4.** When finished, trim the bracelet by cutting off the excess cords. Secure the ends with a piece of sellotape and glue them in place with Super Attak instant glue inside the other part of the magnetic clasp.
