

Un carton entoilé décoré de dessins sur fond de couleurs vives

v13330

The canvas panel is painted with two colours of Art School Pigment acrylic paint. A drawing is made on the canvas panel using Uni Posca markers when dry.

Comment faire

1. Paint the canvas panel with two bright colours of Art School Pigment acrylic paint. Use colours that harmonise with each other. For example, yellow/red, pink/orange, blue/green, lime/purple. Leave to dry.

2. Draw on the canvas panels using Uni Posca markers. They are known for being completely opaque. Leave to dry.

3. You may attach a picture hanger onto the back for hanging the canvas panel.
