

A Memo Holder with Blackboard Paint & Masking Tape

v13809

Each memo holder is a clip board which is painted with blackboard paint to use for notes written with chalk. When dry, each board is decorated with Masking Tape according to your own taste. Finally a coat of varnish is applied.

Comment faire

1. Apply two coats of blackboard paint. NB: blackboard paint is available in several colors, so you may want to divide the board into two different surfaces. When dry, decorate with Masking Tape according to your own taste. Finally apply a coat of matt transparent blackboard paint to the board.
