

A Greeting Card with netted Fabric and a Flower on Satin Ribbon

v13751

The front of this hand-made greeting card from the Happy Moments series is decorated with coloured paper and netted fabric (from a table runner). It is decorated further with ribbon and a smaller ribbon with a tied on flower.

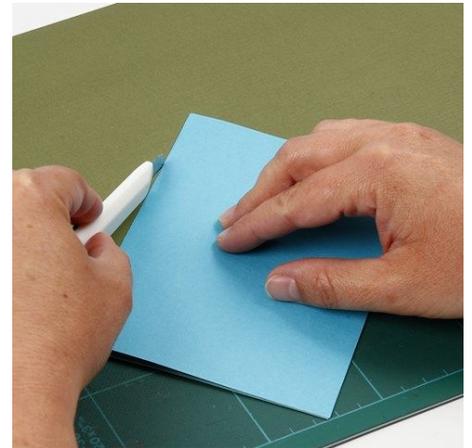

Comment faire

1. Turn the greeting card inside out.

2. Attach double-sided adhesive tape on each side of a corner (stuck across and folded over) on the greeting card and the paper.

3. Attach the paper onto the greeting card and trim the edges.

4. Cut a small piece of netted fabric (the table runner) and attach this onto the paper on the front of the card. Use double-sided adhesive tape.

5. Trim the edges of the greeting card.

6. Attach the ribbon onto the card across at an angle as well as the flower. Use double-sided adhesive tape.
