

Decoupage tray

v1419

Comment faire

1 Paint the tray, try to avoid painting the bottom.

2 Part different napkins in three and use the top part with print.

3 Tear the napkin into pieces.

4 Brush with decoupage lacquer on a small part of the tray at the time, put on the pieces of napkin and brush on top using decoupage lacquer.

5 Finally brush on more time with the decoupage lacquer.
