

Release the imagination with finger paint

v1415

Comment faire

1 Paint a picture with your fingers.

2 You can cut the picture for the candle glass.

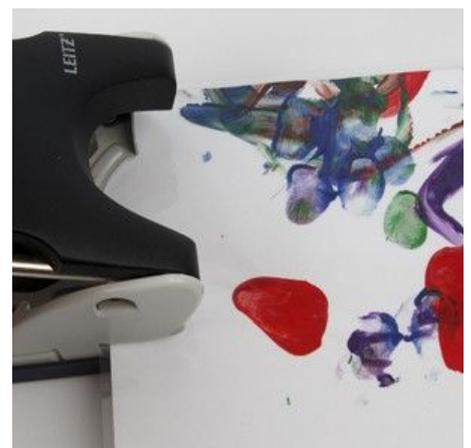

3 Place the picture in a laminating pouch.

4 Run the picture through the laminating machine.

5 Cut of the excess foil.

6 For the candle glass, make holes in the sides with a hole puncher.

7 Gather it with chenille.
