

White Card Dinosaur & Pterodactyl, coloured-in & decorated

v14067

These two prehistoric animals are punched out from card and decorated with Colortime markers and glued-on decoupage paper. Modelled Silk Clay eyes are pushed onto the animals.

Comment faire

1. Colour in the card figures with Colortime markers.

2. Cut small pieces of decoupage paper and attach these according to your imagination using A-Color Allround medium glue lacquer.

3. Model Silk Clay eyes and push them onto the animals.
