

Une organisation créative et pratique du lieu de travail

v14463

Cet environnement autour du lieu de travail est réalisé avec un mélange de boîtes et de récipients de rangement en bois, pratiques.

Comment faire

Another variant Make a peg from a wooden bobbin. Cut off one end of the bobbin. Paint a wooden button with black Plus Color craft paint. Leave to dry. Glue it onto the sawn-off end of the bobbin.

Another variant Idea No. 14451: This table lamp is made from a shade, a lamp socket and a wire with a plug. All parts are from an old lamp. A new lamp base is cast in concrete. Large wooden balls are placed on top of the base. The shade is covered with decoupage paper.

Another variant Idea No. 14458: This round wooden wall clock and wooden pencil holder are painted white and decorated with decoupage paper.
