

Wooden Angels painted with Oil Pastels, Craft Paint and Lacquer

v14348

The front and back of these two angels (it is one figure, but the small angel is a removable piece from the large angel) are decorated with Gallery oil pastels in several colours. The edges are painted with Plus Color craft paint. Both are varnished when dry with gloss acrylic lacquer.

Comment faire

1 Decorate the two figures on the front and back with oil pastels using your imagination.

2 Make additional details using the black oil pastel.

3 Paint the edges with black Plus Color craft paint and leave to dry.

4 Varnish the figures all over with gloss acrylic lacquer. Leave to dry.
