

Bestioles effrayantes d'Halloween faites avec des pompons, du fil chenille et du feutre

v14333

Ces trois bestioles effrayantes ont un pompon en guise de corps. Deux d'entre-elles ont des fils chenille en guise de jambes et toutes trois ont des yeux et des dents collés, faits en feutre.

Comment faire

1 Make a pom-pom. (The instructions for pom-poms in four different sizes are printed on the pom-pom maker packaging).

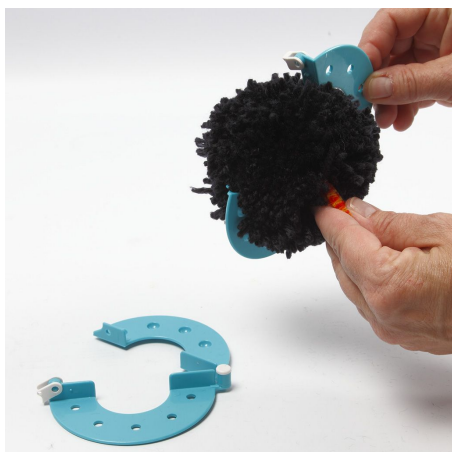

2 Push three pipe cleaners into the middle of the pom-pom maker. The two halves of the pom-pom maker are wound with yarn and then assembled.

3 Cut open the yarn all the way around along the groove. Tie a piece of yarn in the groove a couple of times and then tighten. Finish with a double knot.

4 Remove the pom-pom maker.

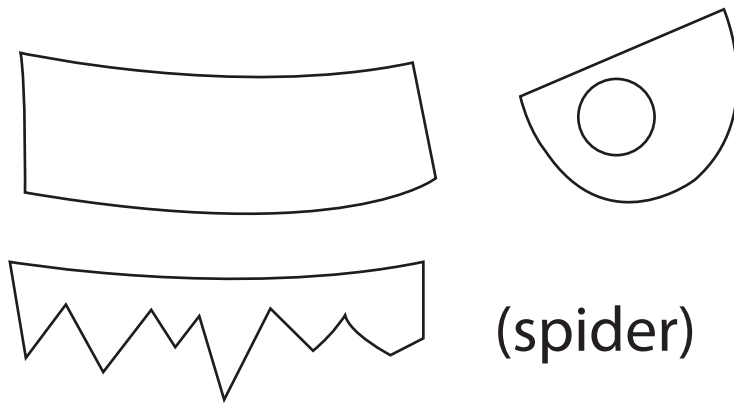

5 Eyes, mouth and teeth: Print and cut out the template which is available as a separate PDF file for this idea. Copy onto felt, cut out and glue on.

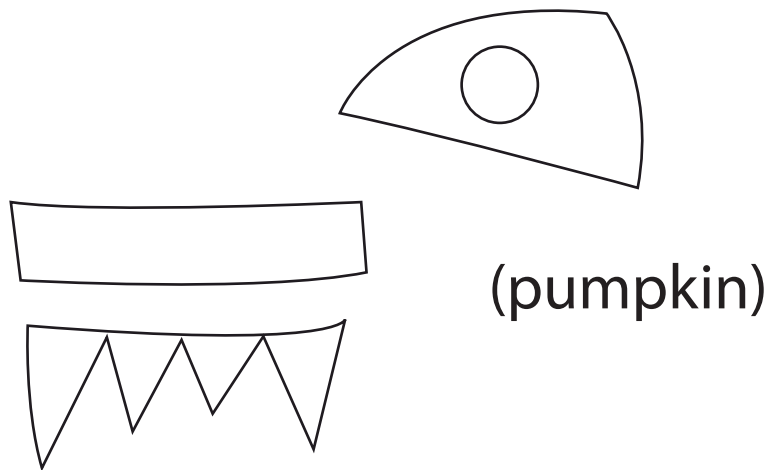

Another variant A TIP: A pipe cleaner is glued onto the edges of each of the ghost's white felt wings to make them foldable.
