

Gift wrapping with wrapping Paper, Yarn and Decorations

v14726

These presents are wrapped in wrapping paper with cheerful designs and tied with yarn in matching colours. The yarn is used for decorative pom-poms in addition to beads, bells and manila tags.

Comment faire

A Wrap the present in wrapping paper. Tie yarn around it and decorate with a pom-pom in the middle made from the same yarn. Also tie on some bells. For instructions on how to make pom-poms, see our website and enter '14015' into the search box. Wooden beads with letters are arranged into a word and glued on the top of the present using Clear Multi Glue gel.

B Wrap the present in wrapping paper. Make a pom-pom and two tassels and attach them onto the present with gold Masking Tape. For instructions on how to make tassels, see our website and enter '14727' into the search box.

C Wrap the present in wrapping paper. Tie yarn around it and decorate with a pom-pom in the middle along with a gold manilla tag. Use the same yarn for the pom-pom and for embroidering a star in the manilla tag. (Use a thick needle for making holes in the manilla tag for embroidering).
