

An Elf's Door with a Picket Fence and a Letterbox

v15024

This small Elf's door is made by painting the door, the picket fence, the letterbox and the wooden elf with craft paint. The elf's hat is made from a felt triangle formed into a cone with double-sided adhesive tape. Miniature presents are wrapped and used for decoration outside the door which is decorated with a small wreath made from pipe cleaners. The Elf's door may be attached onto the wall just above the skirting board with adhesive dots.
