

A Book with a Collage from Color Bar Paper and Magazines

v15047

The collage on the front of this book is composed of punched-out, cut-out and torn pieces of Color Bar paper, magazines and brochures etc. Everything is glued onto a the front cover of the book using a glue stick and sealed with decoupage lacquer.

Comment faire

1 Glue cut-outs from magazines as well as punched-out and torn pieces of Color Bar paper onto the book cover. Use a clear glue stick and leave to dry until the next step.

2 Seal the book cover with decoupage lacquer to protect the surface.
