

cars-and-road-signs-from-self-hardening-clay-i

v14975

Cars and road signs are modelled from self-hardening clay and decorated with Plus Color Markers.

Comment faire

1 Model cars and road signs from self-hardening clay. Leave to dry until the next step.

2 Decorate the cars and road signs with Plus Color Markers.

3 Make details on the cars with Plus Color Markers according to your imagination. You may draw a road on card as well.
