1 Cut out a flag from metallised card and a smaller flag from textured paper. Attach the parts together and onto the greeting card using double-sided adhesive tape. Cut out a tag from metallised card slightly larger than the manilla tag. Attach these two tags together with double-sided adhesive tape.

2 Attach a wood veneer sticker (a pram) onto the manilla tag with 3D foam pads and tie a satin ribbon bow to the manilla tag. Attach the manilla tag onto the greeting card.

3 Decorate the invitation with rhinestone hearts and rhinestones.
