

An Invitation with a Bodysuit

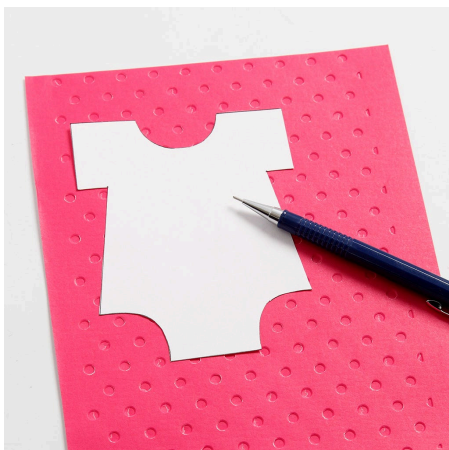

v14961

The front of these lovely christening invitations are decorated with bodysuits made from textured paper using the embossing machine. The template for the bodysuit is available below as a separate PDF file for this idea.

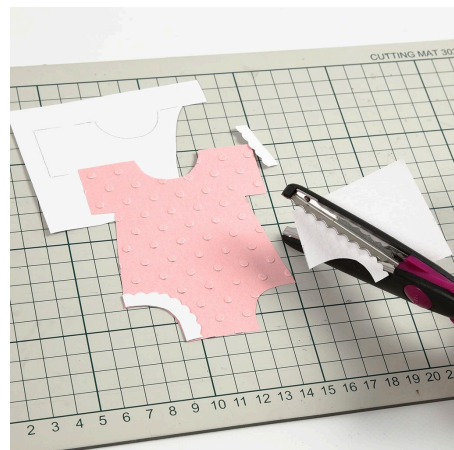

Comment faire

1 Run a piece of textured paper through the embossing machine in order to emboss a decorative design in the paper.

2 Print the PDF template for the bodysuit for this idea. Copy onto card and cut out.

3 Cut out lace edges for the bodysuit using Fiskars decorative edged scissors.

4 Attach all the parts onto the front of the card using double-sided adhesive tape.

5 Decorate further with self-adhesive rhinestone half-pearls and a satin bow.

6 See idea No. 14965 for the matching place card.
