

An Invitation with a Baby Bottle for a Christening

v14966

This christening invitation is made from pink and rose shades with a baby bottle attached with 3D foam pads.

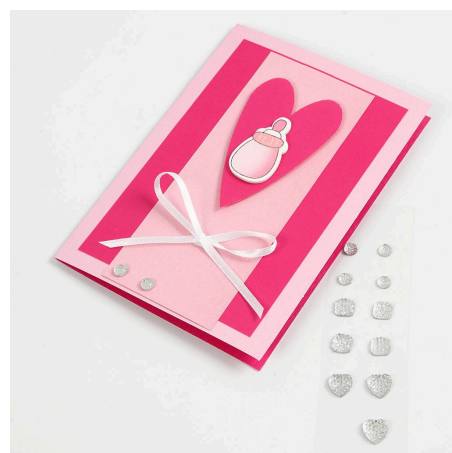

Comment faire

1 Cut out the parts. Pink: 9x13.5 cm – Rose: 5.5x14 cm. Cut out the heart using the template available as a PDF file for this idea. Attach all the parts onto the front of the invitation using double-sided adhesive tape.

2 Attach the card heart and the baby bottle with 3D foam pads.

3 Decorate the invitation with a satin bow and rhinestones.

4 See idea No. 14964 for the matching place card.
