

A Guest Picture with an Elephant

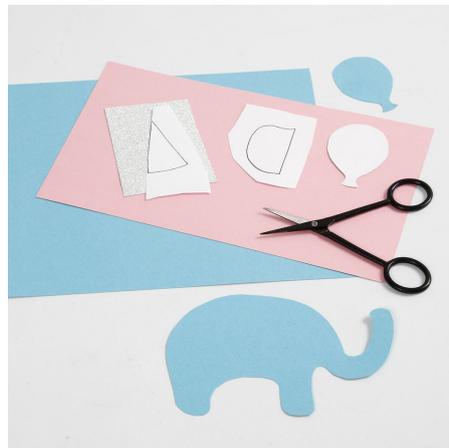

v14913

Make a lovely picture of an elephant and cut out balloons which you can bring along to your baby shower party. All guests write their names in a balloon which is then glued onto the picture. This makes it a personal memory from the day. The picture is inserted into a painted picture frame.

Comment faire

1 Paint the picture frame and the backing panel with white craft paint.

2 Print the template and copy the parts onto card in your chosen colours.

3 Punch out circles from glitter card using a screw punch. Use these circles for decorating the elephant's ear.

4 Attach all the parts (incl. sequins) onto the panel using Clear Multi Glue. You may use a brush.

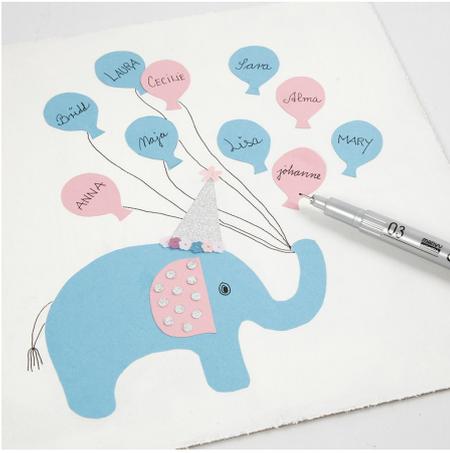

5 Let the guests write their names on the balloons using a Medallion pen.

6 Glue the balloons onto the backing panel.

7 Draw the strings for the balloons, the eye and the tail with a Medallion pen.
