

A black Wedding Card with Design Tape Borders

v14888

A wedding card from black card decorated with textured paper, Design Tape and rhinestone hearts.

Comment faire

1 Attach two strips of Design Tape to the front of the card an equal distance from the edges (approx. 2.5 cm).

2 Print text on a piece of textured paper, trim and glue it onto the front of the card using double-sided adhesive tape.

3 Attach a black Design Tape border across the middle of the front of the card as well as a self-adhesive rhinestone heart.
