

## A Felt Flower and a Cabochon on a Keyring (with a Chain)

v14777

A handbag pendant is made from a felt flower and a cabochon glued onto a keyring (with a chain). The felt flower is then decorated with dots made with a 3D liner.

### *Comment faire*

**1** Glue two felt flowers around the end of the keyring chain by the round jump ring.

**2** Glue a cabochons onto both sides of the felt flower and decorate with dots made with a 3D liner. Leave to dry for 24 hours.
