

## A Wedding Invitation with Satin Ribbon and Manilla Tags decorated with Puffy Stickers

v15177

Make your own stylish wedding invitations with satin ribbon wrapped around them, finished with a bow and decorated with manilla tags and puffy stickers.

### Comment faire

**1** Tie a satin ribbon measuring approx. 120 cm four times around the invitation.

**2** Make a bow by arranging a ribbon three times around in a circle as illustrated in the photo.

**3** Gather both ends in the middle and tie them together to finish the bow.

**4** Print out your text and cut it out as a manilla tag following the template attached as a PDF file on this page.

**5** Make a hole in your cut-out manilla tag and a white manilla tag at the same time using a screw punch.

**6** Tie both manilla tags onto the wedding invitation.

**7** Tie the bow onto the ribbon, pulling the ribbon together.

**8** Trim the ends.

**9** Decorate the manilla tags with puffy stickers.
