

Polystyrene Easter Eggs decorated with Pearl Clay

v15159

Make your own Easter eggs by decorating polystyrene eggs with Pearl Clay in different patterns and colours.

Comment faire

1 Mix the transparent modelling gel (glue) and the Pearl Clay beads by hand. Divide the supplied tub of modelling gel into three equal size portions and mix each portion with a tub of beads).

2 Cover the polystyrene egg with the mixed beads and glue. You may make patterns by attaching individual beads, one at the time.
