

An Invitation for a Confirmation Party with a Card Mobile Phone Design and a Card Silhouette

v15173

Make your own invitations for a confirmation party with a lovely mobile phone card cut-out and a girl card silhouette. The confirmation invitation is decorated further with textured paper, self-adhesive rhinestones and speech bubbles.

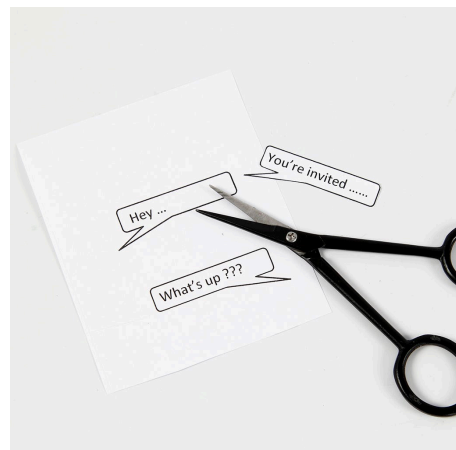

Comment faire

1 Cut a piece of metallic foil card slightly smaller than the front of the greeting card. Cut a piece of textured paper slightly smaller than the metallic foil card. Attach them onto the front of the greeting card using double-sided adhesive tape.

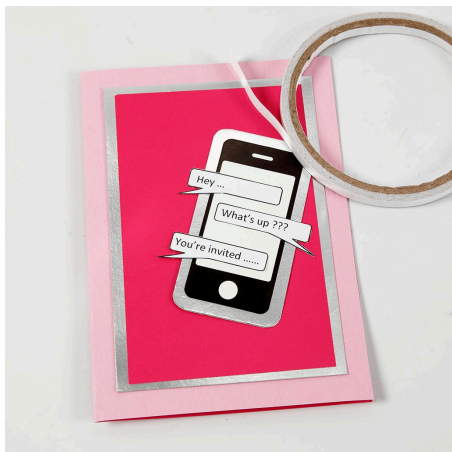

2 Trim a piece of metallic foil card and cut round corners to frame the mobile phone.

3 Print SMS messages and speech bubbles (or use the ones from the template) and write your own text.

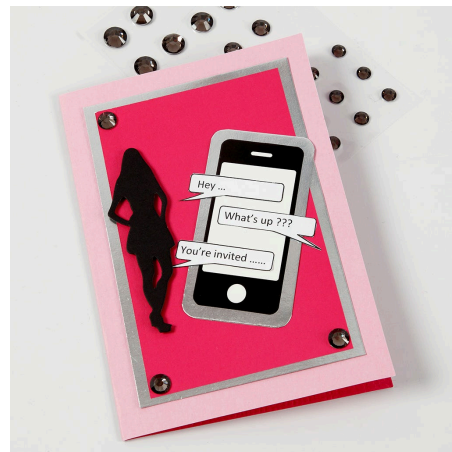

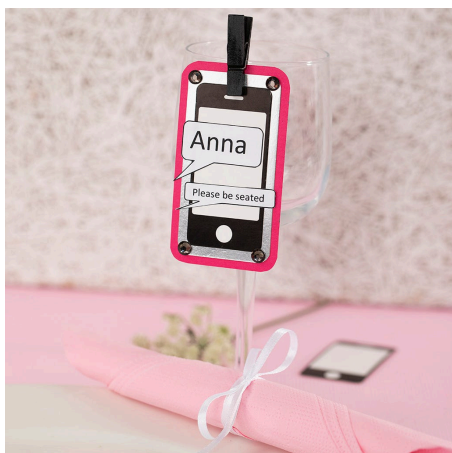

4 Attach the texts to the mobile phone and attach the mobile phone onto the front of the greeting card with self-adhesive double-sided tape.

5 Attach the card silhouette onto the front of the greeting card using the 3D foam pads that are included.

6 Decorate with self-adhesive rhinestones.
