

A Canvas with a Mermaid Design decorated with Markers and Glitter Glue

v15021

This canvas with a pre-printed mermaid design is decorated with markers, glitter glue and craft paint.

Comment faire

1 Colour-in the designs with ordinary markers.

2 Apply a bit of glitter glue with a brush. Please note that the markers may run slightly underneath the glitter glue but this gives a lovely effect.

3 Fill in the background with paint or with a marker.
