

## A Mug decorated with Porcelain Paint and a Lid with a wooden Bead

v15128

This porcelain mug/jar is decorated with porcelain paint. A wooden coaster for the lid is decorated with a wooden bead attached with a piece of leather cord.

### *Comment faire*

**1** Attach masking tape around the mug where the mug gets wider. Smooth the masking tape and press it on firmly.

**2** Apply paint to the lower part of the mug with a brush and dab it evenly with a sponge. Quickly remove the masking tape carefully and leave the mug to dry.

**3** Attach another piece of masking tape to make a stripe above. Apply paint with a brush and dab.

**4** Paint horizontal and vertical lines onto the lower part of the mug.

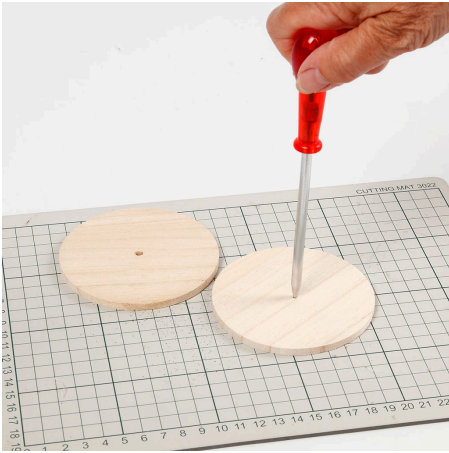

**5** If you want dots, make them with the end of a brush handle.

**6** Leave the paint to dry for 4 hours prior to fixing in a household oven at 160°C for 90 minutes.

**7** Make a hole in the middle of a wooden coaster.

**8** Tie a knot in the leather cord and tighten. Thread the cord through the wooden bead and the wooden coaster and tie a knot. Trim the ends.

**9** Stick silicone dots onto the lid right inside the rim of the jar.
