

A Barrette decorated with Pearl Clay

v15109

The shape of the barrette is copied onto a piece of foam rubber. It is cut out and glued onto the barrette and then covered with Pearl Clay. Attach the small beads in patterns or make Pearl Clay balls in different sizes and attach for decoration.

Comment faire

1 Mix a small amount of the supplied glue with the Pearl Clay beads in the tub until they are embedded in the glue.

2 Knead the glue and the beads well.

3 Trace round the barrette onto a piece of foam rubber.

4 Cut out.

5 Glue the piece of foam rubber onto the barrette with Clear Multi Glue Gel and cover the foam rubber with Pearl Clay.

Another variant -

Another variant Roll small balls from Pearl Clay and attach these on top of the covered hair clip.
