**1** Print out the template which is available as a separate PDF file for this idea. Copy the ghost onto iron-on reflective film and cut out. Punch out stars with a paper punch.

**2** Punch two eyes in the ghost using a screw punch. Cut an open mouth by making a soft bend in the middle of the ghost and cutting a hole.

**3** Place the back of the ghost and the stars on the T-shirt and iron.

**4** Finally remove the protective foil from the film.
