

A wooden Nutcracker decorated with Plus Color

v15009

These wooden figures are painted with Plus Color craft paint. Details are added with a Plus Color marker which is craft paint in a pen. The small nutcracker has a drum made from a bobbin and a pair of ski poles are transformed into drumsticks.

Comment faire

1 Paint the figures with Plus Color craft paint.

2 Add details with a Plus Color marker.

3 Cut two wooden ski poles to a suitable length to fit as drumsticks. Paint the drumstick and a bobbin for a drum.

4 Glue the drum onto the nutcracker's tummy and the drumsticks underneath each hand using a glue gun.
