

A Silhouette Card Town decorated with Glitter Paper and Vellum Paper

v14989

This silhouette town is cut out from card and decorated with glitter paper and vellum paper.

Comment faire

1 Attach the template onto the white card. Cut through both layers simultaneously.

2 First cut out all the windows using a fine art knife. Take care when cutting out the narrow window bars.

3 Cut out the outline and finally the base.

4 Cut out the roofs and a cone-shaped tree from glitter paper.

5 Glue the cone together and attach the cut-out roofs onto the white card using power tape.

6 Cut out vellum paper for the back of some of the windows and attach with power tape.
