

An Advent Calendar with Fabric Bags

v15055

It's easy and simple to make this Advent calendar for children or for an adult. Just put each present in a small bag and close the bag with a red bow and a manilla tag with a sticker with a number. They look decorative when arranged in a wooden apple box with branded text on the side made with a porygraphy tool. The recipient will be very pleased to receive a small surprise every day during December.
