

A Key Strap decorated with Rub-on Stickers

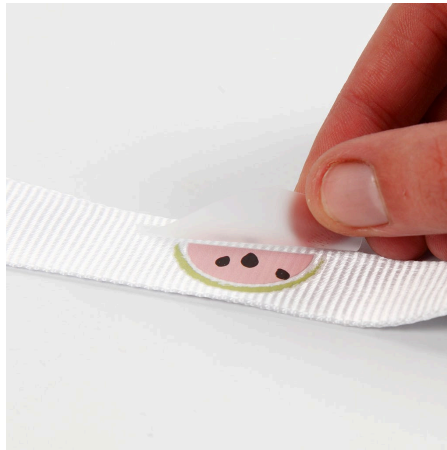

v15249

Decorate a key strap with rub-on stickers and always have your keys at hand. Rub-on stickers stick on fabric, enabling you to personalize your key strap.

Comment faire

1 Cut your chosen design away from the sheet, remove the protective paper from the back and rub the rub-on design onto the fabric with the supplied wooden stick.

2 Now carefully remove the protective top foil layer.
