Comment faire

1 Paint the bottom part of the Easter bunnies with craft paint. Use masking tape for a straight edge.

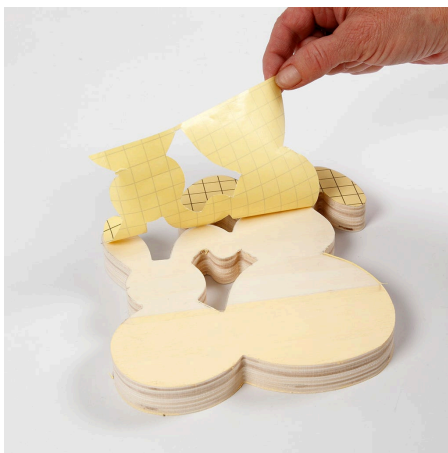

2 Draw the outline of the non-painted top half of both sides of the Easter bunnies on a piece of double-sided adhesive sheet.

3 Cut out the patterns.

4 Remove the protective paper layer on one side of the double-sided adhesive sheet and place the Easter bunnies onto the adhesive side.

5 Remove the other protective paper layer.

6 Place the Easter bunnies on the silver side of the deco foil.

7 Rub on the deco foil firmly.

8 Carefully pull off the deco foil. If the deco foil has not transferred completely onto the sticky foil tape, just repeat the process and rub on some more deco foil.
