

Travel Memories in a Bullet Journal and Planner

v15244

This is an example of how to present your travel memories in a travel journal, mixing small photos, cut-outs and decorations with notes from your travels.

Comment faire

1 Cut out piece(s) of double-sided foil tape to the required size, remove the protective paper layer and attach to the back of your chosen design.

2 Remove the other protective paper layer and attach the design to the page in your bullet journal.
