

Shopping Bags with Summer stamped Designs

v15205

Decorate your very own shopping bag with stamped designs and textile markers. Different shapes of stamps can be combined, creating lots of different designs in beautiful colours. Add further details with textile markers.

Comment faire

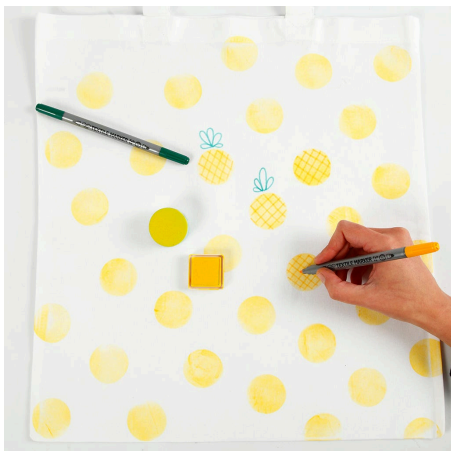

1 Dab the stamps on the ink pads and apply the stamp print onto the bag, putting the shapes together to make different designs.

2 Add details with textile markers.

3 Fix the bag with an iron so that it can be washed in the washing machine.
