

A Chest of Drawers decorated with self-adhesive Film

v15228

This small chest of drawers is painted with craft paint. The drawers are then decorated with self-adhesive film.

Comment faire

1 Paint the surfaces and the edges of the chest of drawers with craft paint.

2 Place the front of the drawers on top of the self-adhesive film. Draw around the outline of the front of the drawer and cut out.

3 Attach the self-adhesive film onto the front of the drawers.
