

A Faux Leather Paper Make-up Bag with a Transfer Paper Design

v15198

This make-up bag is decorated with a transfer paper design.

Comment faire

1 Print a design onto the transfer paper. Remember to print a mirror image of any text.

2 Place folded tea towels inside the make-up bag to create a firm surface for the design that will be ironed on.

3 Cut out the printed design.

4 Place the design onto the make-up bag and iron it on on a cotton setting for approx. 2-3 minutes. Leave to cool down.

5 Carefully remove the layer of protective paper.
