

## A Puppet Theatre in a Shoe Box

v15261

Children's spatial, linguistic and personal intelligence is enhanced by this creative project. Children's personal intelligence is enhanced when making a puppet theatre in a shoe box, where the children themselves are the main characters, expressing their own personality through the lead role. Children's spatial intelligence is enhanced when creating theatre scenes in shoe boxes, working with in front of/behind, over/under, inside/outside etc. Children's linguistic intelligence is enhanced further when they bring to life a theatre puppet's character whilst creating it and performing with it.

### *Comment faire*

**Intelligence spatiale** Renforcée par activités dans lesquelles les enfants doivent utiliser leurs aptitudes à se percevoir, se reconnaître et s'exprimer dans le monde spatial réel.

**Intelligence linguistique** Renforcée par activités dans lesquelles les enfants doivent utiliser leurs aptitudes à penser en phrases et à faire preuve de curiosité envers les mots nouveaux et les langues étrangères.
