

Wooden Trays decorated with Terrazzo Flakes

v15227

These wooden trays are painted with craft paint and subsequently decorated with terrazzo flakes using decoupage lacquer.

Comment faire

1 Paint the inside base of the tray with white Plus Color craft paint and leave to dry.

2 Apply a generous coat of decoupage lacquer on top (not too thin).

3 Immediately sprinkle terrazzo flakes over the wet lacquer in an even, thinly distributed layer.

4 Pick up individual flakes with the wet brush.

5 Attach terrazzo flakes randomly to give it a natural look.

6 Apply decoupage lacquer over the entire surface and leave to dry. Apply another coat of decoupage lacquer and leave to dry.
