

## A Wedding Menu Card with gold glitter Design Paper and a Shaker Sticker

v15179

Make your own wedding menu card from a greeting card decorated with glitter design paper and a shaker sticker.

### *Comment faire*

**1** Cut off 1.5 cm from the front of the greeting card, making it narrower than the back.

**2** Cut a piece of glitter design paper the same size as the front of the greeting card and attach it onto the inside front with double-sided adhesive tape.

**3** Print the menu onto a piece of white paper in the same size as the size of the original greeting card. Print the word 'MENU' onto the top right corner (vertically) of the same piece of paper. Attach the piece of paper inside the greeting card with double-sided adhesive tape.

**4** Cut a 2.5 x 29 cm piece of glitter design paper. Fasten it around the greeting card and join the ends around the back with double-sided adhesive tape or foil tape.

**5** Attach a heart-shaped shaker sticker onto the middle of the glitter design paper waist band using double-sided tape or one of the 3D foam pad included with the shaker stickers.
