

Mermaid and Sea Creatures Jewellery and a Keyring Fob from Shrink Plastic

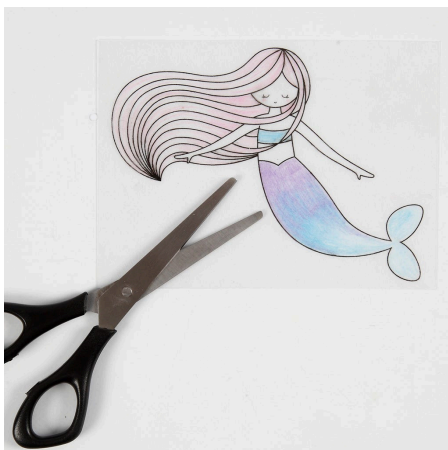

v15169

Make colourful jewellery and keyring fobs from shrink plastic with pre-printed mermaid, seahorse, starfish and mussel designs. They are ready for colouring in immediately to use for home-made jewellery and keyring fobs.

Comment faire

1 Colour in the shrink plastic designs using colouring pencils.

2 Cut out the figures.

3 Remember to make a hole at the top using revolving punch pliers before putting the figure in the oven.

4 Place the figure on a baking sheet covered with baking paper in a household oven at 170°C. After a few minutes the figure will start to shrink and curl up and then it straightens out again and can be taken out of the oven.

5 Attach a round jump ring through the hole.

6 Cut a piece of bead chain and feed it through the round jump ring.

Another variant Make keyring fobs using the same procedure.
