

A Card Heart with a Filligree Border used for a Place Card

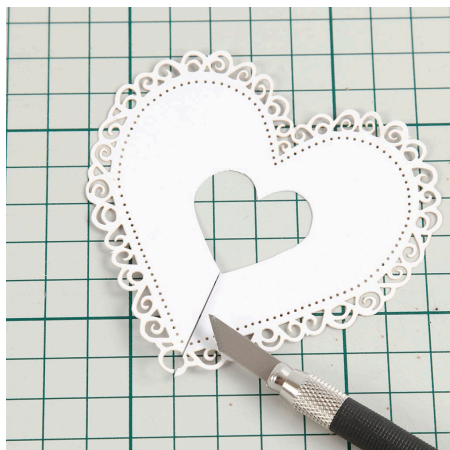

v15180

A place card for a wedding which can be attached onto the stem of a wine glass. This wedding place card is made from a card heart with a cut-out heart-shaped hole in the middle.

Comment faire

1 Cut a heart-shaped hole in the middle of the card heart using the template attached as a separate PDF file on this page.

2 Make a cut through the bottom of the heart.

3 Write name with a marker pen.
