

## A homemade Bird Box painted with Craft Paint and decorated with Plus Color Markers

v15583

Build a bird box from scratch using the supplied instructions. Paint the bird box with Plus Color craft paint and add details with Plus Color markers.

### *Comment faire*

**1** Build a bird box using the supplied instructions.

**2** Paint the bird box with Plus Color craft paint. If you choose not to paint all of the exposed surfaces, you may apply a coat of weather resistant acrylic lacquer to the untreated wood in order to protect it against the weather.

**3** Add details with Plus Color markers.

**Another variant** Build a bird table using the supplied instructions. Paint your chosen surfaces and decorate it further with Plus Color markers.
