

Fabric Animal Keyrings decorated with Pearl Clay

v15163

These fabric animal keyrings are decorated with Pearl Clay, googly eyes and pom-poms.

Comment faire

1 Mix the supplied modelling gel (glue) with the Pearl Clay beads by hand so that the beads stick to the glue. Knead the gel and the beads well.

2 Cover the fabric figure with the bead and glue mixture.

3 Glue googly eyes onto the figure.

4 Glue pom-poms onto the figure and leave to dry.

5 Here is an example of figures which are covered with Foam Clay as well as Pearl Clay.
