

## Reindeer made from wooden Discs

v15552

Make these lovely reindeer from wooden discs and ice lolly sticks in different sizes. Glue the parts together with a glue gun and add small details with Plus Color markers or contrasting paint.

### *Comment faire*

**1** Arrange wooden discs in different sizes for the head, body, eyes and nose as well as ice lolly sticks for antlers and legs. Cut the ice lolly sticks to the right sizes with a strong pair of scissors.

**2** Glue all the parts together with a glue gun.

**3** Attach a string for hanging using a glue gun. You may add details with Plus Color markers or paint with a thin brush.
