

Watercolour Collages

v15532

A group of Y2 and Y4 school children have made large collages from pieces of torn paper which they have previously decorated with wax pastels and watercolours. The children have swapped the pieces of paper with each other thus using all the scraps of paper (with zero waste). The collages are then personalised with eyes, noses and beaks.

Comment faire

Intelligence spatiale Renforcée par activités dans lesquelles les enfants doivent utiliser leurs aptitudes à se percevoir, se reconnaître et s'exprimer dans le monde spatial réel.
