

## A Candlestick on a wooden Base with Mosaics

v15562

Decorate these candlesticks on a wooden base with glued-on geometrical mirror mosaic tiles. The small decorative trees are made from mosaic fragments which are glued together using Clear Multi Glue Gel.

### *Comment faire*

**1** Glue the mirror mosaic tiles onto the wooden base of the candlestick using Clear Multi Glue Gel. Leave to dry for 24 hours.

**2** Glue the small coloured mosaic fragments together for small trees using Clear Multi Glue Gel. Leave to dry for 24 hours resting against a vertical support, for example, a mug, glass or similar.

**Another variant** A candlestick on a wooden base decorated with colourful glass mosaic fragments.
