

## Hair Accessories with Flowers made from Velvet Ribbon and Buttons

v15538

Decorate your own hair bands and hair clips with flowers made from velvet ribbon with buttons glued on with a glue gun.

### *Comment faire*

**1** Cut a velvet ribbon into 20 cm long pieces. Gather the ribbon by sewing up and down with tacking stitches along the edge. Tighten to make a round flower and tie a knot.

**2** Glue buttons onto the flower using a glue gun and then glue the finished flower onto the hair band.

**3** Also glue the finished flowers onto the hair clips.
