

## A Money Gift Greeting Card with a Felt Heart

v15519

Make your own greeting card with a punched-out glitter felt heart as a money gift. The rolled-up bank note is attached to the felt heart with a piece of felt. Write text on the front of the greeting card with a Uni Posca marker.

### Comment faire

**1** Punch out a large and a small felt heart using a die and a die-cutting & embossing machine.

**2** Cut a 2 x 1.5 cm hole in the middle of the heart 4 cm from the tip of the heart. Also cut a 6 cm long felt strip.

**3** Attach a 1 x 1 cm piece of foil tape to each end of the felt strip (on the glitter side) and attach it onto the back of the heart.

**4** Write text in a corner of the greeting card using a Uni Posca marker.

**5** Attach double-sided foil tape onto the back of the felt heart (not where the hole is) and attach it onto the front of the greeting card.

**6** Tie a piece of cotton cord around a rolled-up bank note and secure with a bow. Insert it into the felt strip.

**7** Attach the small heart onto the front of the envelope and write the name of the recipient.
